

## LUMMI ISLAND SCENIC ESTATES MARINA DECAL REQUEST

### Procedure for Boat Registration

Marina use is reserved for Lummi Island Scenic Estates members only as outlined in Section 5.2 of the LISE Governing Documents. All boats must be identified with a Lummi Island Scenic Estates (LISE) Marina Decal as well as a current state registration decal and vessel identification number. The LISE Marina Decal may be purchased from the Business Office for a cost of \$5.00. There is no fee for non-motorized watercraft, though these vessels in general may not be moored at the LISE docks. Tenders may be moored only in the designated area (Blue Zone). Submit this form with your payment to the Operations staff or the drop box at the Business Office (3051 Dogwood Terrace).

The decal will be displayed on the windshield or the stern of the boat. Guest registrations are valid for one mooring session (72 hours).

Boats without decals left at the marine facilities are subject to immediate towing. Owners are not entitled to use the LISE marina facilities unless their boat is registered.

Owners must remove the LISE decal and notify the Business Office if they sell or otherwise dispose of their boat. If a registered boat owner sells his or her property in LISE, the owner loses all marina privileges and the decal immediately becomes invalid.

**Please see LISE Governing Documents Section 5.2 and Policy #9 for Marina Rules**
